"be" is a very common word and was not included in your search. [\[details\]](#)  
 Lowercase "or" was ignored. Try "OR" to search for either of two terms. [\[details\]](#)

## Patents

 Patents 1 - 10 on **packets should be bridged or routed**. (0.10 seconds)

Method for connecting roaming stations in a source [Sort by relevance](#) | [Sort by date \(new first\)](#) | [Sort by date \(old first\)](#)

### routed bridged local area ...

US Pat. 5636217 - Filed Jun 20, 1995 - Lucent Technologies Inc.

**BRIDGED LOCAL AREA NETWORK** To accommodate the **packets** with and without the ...  
 in its location ^ ba ft wj1 insert LAN-segment the **packets should be sent**. ...

### Multiport source routing token ring bridge apparatus

US Pat. 5251213 - Filed May 12, 1992 - Microcom Systems, Inc.

As with the ring-in comparison, **should** the bridge number of the multiport ...  
 Non-Source **Routed**. This signal is set by the microprocessor 46 to tell the ...

### Bridge/router architecture for high performance scalable networking

US Pat. 5802278 - Filed Jan 23, 1996 - 3Com Corporation

3. **packets routed** to port on local H/O card. 4. **packets routed** to remote D/O ...  
 whether the DPM 25 **should** process **packets** locally or forward all **packets** to ...

### Method of and apparatus for implementing and sending an asynchronous control ...

US Pat. 6445711 - Filed Apr 21, 2000 - Sony Corporation

If the packet **should** be forwarded to another bridge device, ... This in-stream  
 version of the packet is then **routed** to the portal 166 of the bridge device ...

### Method and apparatus for accelerated packet forwarding

US Pat. 5566170 - Filed Dec 29, 1994 - Storage Technology Corporation

In addition, the byte ordering for the receive information 142 **should** match the  
 architecture ... when the protocol data unit 140 is expected to be **bridged**. ...

### System having central processor for transmitting generic packets to another ...

US Pat. 5490252 - Filed Sep 30, 1992 - Bay Networks Group, Inc.

The FPSE also makes the decision of whether a data packet **should be routed or**  
**bridged**. Any **routed packets** 35 are sent over the system bus to the Router ...

### Message stripping protocol for a communication network

US Pat. 5216670 - Filed Jul 3, 1991 - International Business Machines Corporation

For example, that packet may be **routed** in 128—3 = 125 different node addresses can  
 ... the ring also used to discard **packets** in the case of bridge failure; ...

### Method and system for improving traffic operation in an internet environment

US Pat. 6603769 - Filed Apr 29, 1999 - Cisco Technology, Inc.

After some time, the **bridged** network looks like the flow of a river, ....  
 R2 **should** be configured into bridges and the Ethernet **packets** header **should** simply ...

### Distributed multicast routing in packet-based communication network devices

US Pat. 6807175 - Filed Aug 25, 2000 - 3Com Corporation

**Packets** received at the receive ports 51 are temporarily stored in memory (not ... Whether the packet **should** be **routed** or **bridged** depends 55 on (among other ...

System for signatureless transmission and reception of data **packets** between ...

US Pat. 5548646 - Filed Sep 15, 1994 - Sun Microsystems, Inc.

Even when these **packets** are encrypted, the very fact of their being ... may be stored that indicate whether particular data **packets should** be encrypted. ...

Gooooooooooogle ►

Result Page:    [1](#) [2](#) [3](#) [4](#) [5](#) [6](#) [7](#) [8](#) [9](#) [10](#)    [Next](#)

packets should be bridged or routed
